...Claims former Pastor

Last week, the paper published an interview Pastor Godswill Agomoh Paul had with Nigeria magazine-Life Way, where he accused the General Overseer of the Synagogue Church of All Nations, Prophet T.B. Joshua of stage-managing many of the so-called miracles he has been performing; he also accused the Prophet of using him (Godswill Agomoh) to carry out many of his nefarious

activities.

In today's edition, Pastor Godswill Agomoh Paul reveals how some mysterious deaths were recorded at the Synagogue, when he was one of the junior prophets of the Ministry.

Pastor Godswill Agomoh Paul, Pastor who claimed that miracles being performed at the Synagogue Church were faked also revealed in his interview with the LifeWay magazine that he witnessed many mysterious deaths during his tenure as the second-in-command to Prophet T.B. Joshua, the General Overseer of the Synagogue.

...“There are several cases of mysterious deaths which I witnessed. There was the case of a lady, one of the in-house tailors sewing the furniture fabrics. She came out of the bathroom one day, collapsed and died”, he narrated, adding “Unknown to us all she had a friend among the tailors who quickly placed a call to her family to inform them she has collapsed and died. The girl's body was mysteriously dumped in front of a hotel at Egbe. The church officially informed the father that his daughter's body was found in front of the hotel; she was dead and they had deposited her in a mortuary”.

Pastor Godswill Agomoh Paul continued: “Naturally the man cried foul. Joshua called us together to strategise. We looked into the archives and found the tape when the girl alleged that her father raped her when she was young. And the father later came to confirm the story”.

According to him “Joshua briefed us to get all the Igbo community together and show them the video after a Sunday service. He told me to tell them how he saved the girl by bringing her in. By the time I finished briefing the Igbo community and showing the confession video, they were very angry with the girl's father. The father had no choice but to prostrate and beg Joshua and everybody. That was the end of the matter”.

“He further narrated: There was also the case of a carpenter from Arigidi, near Joshua's home town in Ondo State. While they were roofing the new sites he fell directly on the altar. The altar is built like a pond, dug and fitted with rock and water falls. At this time, it was not yet completed, and there was no water yet. The boy fell and died”.

He noted that “Instead of reporting the accident to the appropriate quarters, again the church registered him as a victim of a hit and run driver. They sent the message to his wife who came, identified the body and was given 10, 000 Naira for the burial. My concern is that the man died in active service. His funeral responsibilities should have been taken over by the Church. Besides, I did not see the need for cover up. It was accident and accidents do happen at constructions sites, so why the cover-up”.

Pastor Godswill Agomoh also exposed what he called the trickery that is often adopted by T.B. Joshua to woo unsuspecting minds about his healing prowess. That includes brainwashing patients into believing that their problems can only be solved by T.B. Joshua.

And that any patient who would not heed to that counselling will either have his/her healing short-lived or their problems would become more than they brought to the Synagogue. In that state of fear and insecurity, the vulnerable patients accede to any direction from junior prophets of the Ministry.

One of the many people, who Pastor Godswill revealed was used for the crooked trickery of T.B. Joshua, was one Maxwell Injeh, who was said to have been healed of his paralysis at the Synagogue Church of All Nations.

Although Maxwell Injeh insisted that he was healed at the Synagogue, Pastor Agomoh Paul, said Maxwell had no paralysis and that he had a serious waist pain but not a spinal cord injury.

“He went to have a drink and on his way up the staircase he missed his steps and fell. He had serious waist pain no doubt but it was not a spinal cord injury”, he narrated, adding that when he was brought to the Synagogue, he went to Maxwell and “observed our normal prayer pattern which is to massage his back and waist. When I was done I asked him to walk and he walked with me”.

“He moved round the car park and we observed that his case was that serious. Thereafter Yinka and Latian the head of the “brainwash” team came; they sat him down and began the brainwash. They told him that although the junior prophets had prayed for him “the grace is not enough”. That he needs the confirmation of Prophet T.B. Joshua himself, otherwise his testimony would be short-lived. They told him that within one week he risked being totally paralysed. He agreed.”

According to Pastor Godswill, Maxwell's family then requested to see the Prophet (T.B. Joshua), “if they were willing to attract the attention by all means then Maxwell had to come in a wheel chair, noting that Maxwell was coached on how to come in a wheel chair and instantly begun shouting “man of God help me, help me!” as soon as the Prophet appeared.

He disclosed that Maxwell's wife was asked by the leadership of the “brainwash team to exaggerate how bad and difficult it had been carrying Maxwell up and down in the wheelchair

because he could not walk or use the toilet on his own. And they agreed.

But Pastor Godswill Agomoh Paul left the Synagogue Church some four years ago and so why is he speaking out now? Read the next publication soon...

"Blessed are those who are persecuted for righteousness sake for theirs is the Kingdom of heaven" Matthew 5:10. The same chapter and verse 11-12 goes on to say "Blessed are ye when men shall revile you and persecute you and shall say all manner of evil against you falsely, for my sake. Rejoice and be exceedingly glad, for great is your reward in heaven: For so persecuted they the prophets which were before you."

So much has been said about the man of God Pastor and Reverend T B Joshua and most people have failed to realise the simple implications of Matthew 6:24.. "No man can serve two masters...Ye can not serve God and mammon." Pastor Godswill is a hypocrite and he feels that this is the only way of making a name for himself since he has failed to meet the standard of mighty man of valour through just means. He left the church years back and is only speaking out about it now..the Question is why now and not before? Is this another gimmick for the corrupt man he is to try and rob people of their monies and corrupt them with doctrine from the Hades? He should first cast out the beam in his own eyes to see clearly and be able to remove the mote in T B Joshua's eyes. the bible tells us that we shall know false prophets by their fruits and what we see from the Synagogue is a total manifestation of the power of the living God without dilution. If the Lord is being praised because of the good works the Pastor is doing then AMEN! How can the devil cast out his own? How will his Kingdom grow when his followers give reverence to a different master. All this does not make sense at all. Pastor Godswill is a malicious individual full of spite and hate for the man of God. He is an accuser of the Brethren and the Bible gives us an insight on this. The devil and his cohorts are accusers of the brethren.

To the man of God Pastor TB Joshua, may the Lord continue using you for his marvelous work and may you continue to yield to His spirit. May His Blessings fall upon you and your household and may He cause His face to shine upon you unto the day of recognizing. Amen!

I feel sad to read about some negative comments because I believe Prophet T B Joshua restoring the world. I pray that we accept the power of God through His son Jesus Christ as it is. No Man can do these wonders by his own might not even through Lucifer. May God have mercy on us, otherwise am fearing for our generation which is so rigid to the word and works of God through Jesus Christ the son.

Even if this would be true. Why do you only quote the negative things and not the good ones. Don't tell me that there has never been some supernatural healings and miracles in the ministry of Prophet Joshua. Look for the good in each other not the bad. This pastor is just offended and now wants to ruin the ministry. Preach the gospel and leave the rest to God

The miracles done by prophet T.B Joshua are evidence enough to show us that he is a man of God. He feeds the poor, He helps sinners turn to God. I believe he is a man of God.

people ar eeasily miss led because nowadays and even in the old days humans naturally look for 'signs' and that's what the devil gets us with. We forget that even the devil had power. enough power to challenge God and that's why he was thrown into the world. Any pastor who takes the attention from God to himself I consider suspect. The first commandment says 'I am a jealous God'. We should be so careful of worshiping mere humans. The best Man of God is one who can help you to get closer to ur God not one who says he IS the mediator for you. God loves all hiss children and wants to hear from all personally.
